It was a busy morning. **First**, Eddie **woke** up early, so his mother cooked him breakfast instead of just handing him **a** banana on his way out the door. While she was turning a pancake, the baby woke up. Then the cat hissed at the dog, and when the dog was running away, he knocked over the recycling bin.

"**Wow**," Eddie exclaimed, "I am not going to get up early tomorrow!"

Bird Brain

Karen wakes up every day at seven (am). She eats breakfast, feeds her cat, gets her things together for school. Then she walks down the block, where she catches the bus. At school, Karen is in Miss Riley's 5th grade class. Her favorite subject is art. She eats lunch with her friend Isabel, and plays with Isabel at recess. After school, Karen takes the bus home. She plays with her cat, does her homework and eats dinner. She watches television or plays on her iPad until it is time to go to bed. The next day, she gets up and does it all again!
